

# Ballarat Arts Alive Potential Member's Info Sheet

## Who Are We?

**Ballarat Arts Alive is a volunteer-run, not-for-profit organisation.** Our committee & sub committees meet regularly. We organise events for members to meet up, share info & explore opportunities.

We were founded by local artists who want to connect with other artists as well as and raise the profile of arts & culture in the region. We welcome new artists, invite them to network with us to help them feel less isolated locally. We advocate for art and artists to be at the forefront of planning and decision-making because we know that creatives make a vital contribution to healthy, vibrant & sustainable communities

Our Facebook page has 2,000+ members, it is well-used and the 'go to' reference for local arts.

## Our Vision:

We envision a creative culture in Ballarat and surrounds, and in doing so, provide a flexible forum for discussion, development and action around arts and culture.

We work towards a friendly, vibrant, visible arts presence that reflects Ballarat's creative culture, acknowledging its First Nations story, its colonial gold rush past, it's impressive contribution to the history of the arts in Australia and its future as a high-profile, leading & creative regional city in Victoria.

## Our Aims

- Promote local arts events, activities and opportunities
- Connect the arts community through networking, promotion and discussion.
- Foster opportunities through events, projects and advocacy on behalf of artists
- Contribute meaningful positive input into the development of local Arts and Culture policies and strategies and encourage their implementation in a timely fashion.

## Our Achievements

**Ballarat Arts Alive's moderated public Facebook forum is the best place to learn about arts activities around the region, with over 2,000 online members, many lively discussions and LOTS of input from the community.**

- **BAA was instrumental in developing a website called Arts Atlas** which acts as a portal for artists and arts organizations in our region. It offers **Free Artist Profiling**, **event** and **venue** listings, and other avenues for participation in the arts. **The City of Ballarat now manages this site.** <https://www.artsatlas.com.au/>
- **Arts Events** (Like 'Inner Nutshell' – *short talks by artists about their projects*, 'Lounging 'Round' – *longer, more in-depth casual interviews with local artists about their arts practice*) Art Bus trips to featured artists' studios, Art Sales, online exhibitions, workshops, etc
- **Membership social evenings & events** – casual get togethers where we meet each other, chat and show our work via projections, performance, etc
- **Advocacy at all levels Australian government** - (1) Assisted in the reversal of funding cuts to the Australia Council and the current funding increases to University courses, which include Art, History and the like. (2) Influenced Council's decision to abandon demolition and restore the Civic Hall.
- **Advocacy in regards to the development of the Creative City Strategy** in its initial stages, in regards to the documentation and record keeping of Public Art and then with its response to the pandemic, etc.
- **Auspicing the grants of an increasing number of artists and their projects each year**

## Benefits
